MUNICIPAL EMERGENCY OPERATIONS PLAN

A. PURPOSE:

This municipal plan has been developed to provide procedures for Town of _____ departments to respond to various types of emergencies or disasters that may affect the community. It also provides a link to procedures that will be used by Pepin County government, since the Town of _____ is part of the county emergency management program. This municipal plan is to be used in conjunction with the county Emergency Operations Plan (EOP). The municipal plan will be maintained in accordance with current standards of the county EOP and _____ town government. Review of this municipal plan shall be accomplished concurrently with the county plan.

B. SITUATION AND ASSUMPTIONS:

Several types of hazards pose a threat to the lives, property or environment in Pepin County. These hazards are outlined in the Pepin County Hazard Analysis and the federally-approved Pre-Disaster Mitigation Plan. A copy of each is located in the County Emergency Management office.

C. CONCEPT OF OPERATIONS:

Municipal officials have primary responsibility for disasters which take place in the town. They will activate the appropriate municipal agencies to deal with the disaster. The Chair or the municipal emergency coordinator is responsible for coordinating the response of municipal agencies and coordinating the response with county officials if county assistance is necessary.

Actions that the town of _____ and Pepin County should consider if this plan is activated:

1. Municipal agencies initially assess the nature and scope of the emergency or disaster.

2. If the situation can be handled locally, do so using the procedures in this plan, as appropriate.
 - a. The municipal Emergency Management Coordinator advises the Chair and coordinates emergency response actions.
 - b. The Chair declares a local state of emergency and notifies the Pepin County Emergency Management Director of this action.
 - c. Forward the local state of emergency declaration to the county emergency management office or the county board chairperson for concurrence.
 - d. The local Emergency Coordinator activates the municipal emergency operations center (EOC). This facility will be located at Town Hall or designated area.
 - e. Municipal emergency response officials / agencies respond according to the checklists outlined in the Attachments A-J.
 - f. Chair directs departments/agencies to respond to the situation.
 - g. Chair issues directives as to travel restrictions on local roads and recommends protective actions if necessary.
 - h. Notify the public of the situation and recommend appropriate actions to take.
 - i. Keep county officials informed of the situation and actions taken.
3. If municipal resources become exhausted or if special resources are required, request county assistance through the Pepin County Emergency Management Director.
4. If assistance is requested, the Pepin County Emergency Management Director assesses the situation and makes recommendations.
5. The county will do the following (to the extent appropriate):

- a. Activate the County Emergency Operating Center.
 - b. Implement the County Emergency Operations Plan.
 - c. Respond with county resources as requested.
 - d. Activate mutual aid agreements.
 - e. Coordinate county resources with municipal resources.
 - f. Notify the Wisconsin Emergency Management (WEM) Regional Director.
 - g. Forward Uniform Damage Situation Report (UDSR) form.
 - h. Assist municipality with prioritizing and allocating resources.
6. If municipal and county resources are exhausted, the County Emergency Management Director can request state assistance through Wisconsin Emergency Management (WEM).
 7. If state assistance is requested, the WEM Administrator in conjunction with the Regional Director, county emergency management director and municipal emergency coordinator assess the disaster or emergency situation and recommend that personnel, services and equipment be made available for response, mitigation or recovery.
 8. After completing the assessment, the WEM Regional Director immediately notifies the State WEM Administrator.
 9. The State Administrator of Wisconsin Emergency Management notifies the Governor and makes recommendations.
 10. If state assistance is granted, procedures will be followed as stated in the Wisconsin EOP and the County EOP.

E. RESPONSIBILITIES AND TASKS:

See Attachments A-I for emergency responsibilities of key officials in your jurisdiction.

F. RESOURCE MANAGEMENT:

Additional support from Town Departments may include:

Support from Private Agencies/Volunteer Groups:

Pepin County Emergency Management will contact American Red Cross to serve as the lead agency for volunteer groups.

Support from State and Federal Agencies:

Information and assistance in securing state or federal support may be obtained by contacting the County Emergency Management Director. Requests for National Guard assistance should be channeled through the County Emergency Management Director to the WEM Regional Director to the WEM Administrator.

Sample "Go To" radio channels for multi-jurisdictional events.

Each responding agency needs to send a liaison officer to the incident command post. Communications should be face-to-face whenever possible. The Transport Officer will talk directly to the Medical Control Hospital or E.R.s on BLS, MARC 1 or by cellular phone if operable. Agencies' own tactical (simplex) frequencies can be used for "strike force" operations involving one agency.

WEM's frequency pair could be utilized for regional police communications, but at present this is only car-to-car (direct).
