THE COUNTY BOARD

The County Board of Supervisors is the governing body of Pepin County. Pepin County has 12 districts, and the voters in each district elect one Supervisor to serve on the County Board. The term of office is two years. To be elected as a Supervisor, a candidate must be 18 years of age or older and be a resident of the supervisory district within which they are a candidate at the time election papers are taken out.

The duties, powers and responsibilities of the County Board of Supervisors are defined by the laws of the State of Wisconsin and the Rules of the Board, contained in Chapter 2 of the Pepin County Code of Ordinance 179.

County Supervisors are expected to individually contribute to a collaborative effort to set strategic mission goals and make broad policy decisions that support the strategic mission and advance the priorities of the County.

Examples of such activities, include, but are not limited to:

- Taking part in the activities of the Board and serving on one or more Standing Committees or Special Committees, Boards and Commissions enumerated in sections 2.04 of the Rules of the Board.
- Participating in the process of debate and voting on proposed ordinances, resolutions and motions in County Board and Committee meetings;
- Providing oversight and advice to the management of the County regarding delivery of County services while refraining from the delivery, management or administration of daily operations of the County;
- Being responsive to the needs of their constituency through effective communication;
- Establishing priorities for the delivery of County services through the annual budget and tax levy.

Service as a County Supervisor is an honor and a trust which compels the officeholder to serve the public through use of his or her judgment for the benefit of the public and binds him or her to uphold the Constitution of the United States, the Constitution of the State of Wisconsin, and to carry out impartially the laws of the Nation, State and County.

County Supervisors, being representatives drawn from society at large, are recognized to hold different views, values, and loyalties that may result in personal conflict.

Any person not a member of the board who wishes to address the board on any subject matter should first present the information to the pertinent committee after being placed on their agenda. Contact the County Board Chair or County Clerk to be placed on the board agenda. It is possible to speak during Public Comment portion of the agenda, but the Board can take no direct action if the topic discussed was not an agenda item. A person invited to a board meeting to speak on a specific subject need not have permission from his or her supervisor before addressing the board.

SUMMARY OF WISCONSIN TAX LAWS

PATRICIA SCHARR, COUNTY TREASURER

Assessment of real and personal property for taxation is made by town, village and city assessors as of January 1 of each year. The assessors are required to complete the assessment rolls and deliver them to the local clerks on or before the first Monday in May. The board of review shall meet annually at any time during the 30-day period beginning on the 2nd Monday of May, at which time the property owner may protest the assessment placed on his property, if he believes this assessment is inequitable. The clerk of each town, village and city must deliver the tax roll to the local treasurer on or before the third Monday in December. After giving due notice, the treasurer may then begin to collect taxes for the year.

The property owner may pay his taxes in either one of two methods, as follows:

1. All of the real and personal property taxes in full on or before the last day of January, to the local Municipal Treasurer.
2. Fifty percent of the real estate taxes on or before January 31 to the local Treasurer and the remaining fifty percent on or before the last day of July to the County Treasurer.

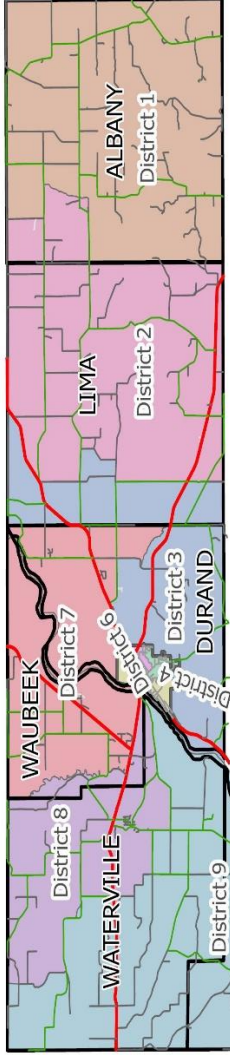

*(Fifty percent of the personal property taxes for buildings on **leased lands** must be paid on or before January 31, and the remaining fifty percent must be paid on or before July 31. Both payments are made to the local Treasurer for leased land.)*

A real estate tax of less than \$100.00 cannot be paid in installments, nor can any of the following: Personal Property Tax, Special Assessments, Special Charges, Managed Forest Lands or Forest Crop Taxes. These charges must be paid in full by January 31st. All real estate taxes upon which the first installment has not been paid and which is still unpaid on the first day of February, shall be declared delinquent and returned to the County Treasurer and collected with interest and penalty at the rate of one and one-fourth percent per month or fraction thereof, from February 1st. The local Treasurer must settle with the County Treasurer on or before February 20. Partial payments on delinquent taxes may be made to the County Treasurer at any time. All real estate taxes not paid by August 31st of each year are sold to the county on September 1st. Taxes may be redeemed from tax sale any time within two years, but if not redeemed, the County may initiate a Tax Foreclosure action to acquire title to the property. Such parcels will be appraised, advertised for sale, and sold to the highest bidder. A list of such lands can be obtained at the County Treasurer's Office.

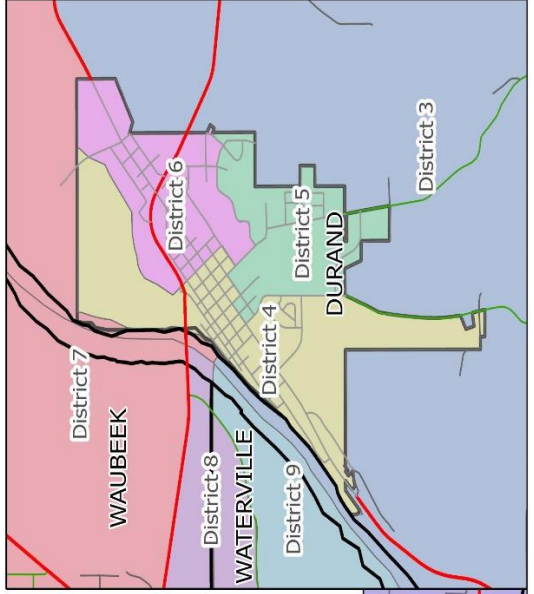

Property Taxes may be paid by credit card on the internet at www.pepin.co.wi.us or by phone using jurisdiction code #5923. You may use the County website to check the amount of your taxes on line. A lottery credit is distributed to resident owners. The credit value is determined by the state in November of each year.
