

GENERAL INFO

We accept the following recyclables for **free**:

Appliances - all except freon appliances. See reverse panel for freon appliance fees.

Automotive - anti-freeze, batteries, motor oil, and oil filters.

Cardboard - dry food boxes, corrugated containers, food cartons (milk, juice, soy, soup).

Glass - bottles and jars (containers like Pyrex and drinking glasses are not recyclable).

Metals - aluminum and bi-metal (steel + aluminum) cans, and scrap metal. Aluminum/bi-metal cans and metal bottle caps are to be recycled with plastics, *not* with scrap metal.

Paper - mail and envelopes (including envelopes with windows), newspaper, brown paper, phonebooks, paperback books, etc.

Plastics - #1, 2 and 5 containers and lids.

Yard waste - grass clippings and leaves

Other items are accepted for a fee.

Brush/Woody material is accepted for a fee: \$5 per residential load and \$20 per Commercial Load

Non-recyclables can be disposed of for a fee or in prepaid, colored Pepin County garbage bags (15 gallon purple and 30 gallon orange) available for purchase at the collection sites and stores throughout the county.

Non-County Bags	County Bags
15 gallon: \$3.50	15 gallon: \$2.75
30 gallon: \$5.00	30 gallon: \$4.25
Leaf bag: \$6.50	

 For updates on the recycling program and events, 'like' the Pepin County Land Conservation and Planning Facebook

Two Hazardous Waste and Pharmaceutical Clean Sweep events are held each year, typically in the spring and fall, in Ellsworth with the Pierce County Recycling Department. **Collection sites do not accept hazardous waste (paints, chemicals, etc.)**

If you cannot make it to a Clean Sweep, expired, unwanted or unused medications can be brought to the Sheriff's Department dispatch center (740 7th Ave W, Durand).

RECYCLING GUIDELINES

Cardboard - clean, free of debris and flattened.

Cans - rinsed clean of product residue, well-drained, and recycled with plastics (**not scrap metal**).

Glass - only bottles and jars are recyclable. Rinse containers before recycling. Place metal bottle caps with plastics and cans.

Plastics - #1, 2, and 5 containers and lids should be rinsed clean of product residue, well-drained and flattened. Place caps back on containers after flattening. We **do not** recycle plastic bags, flowerpots, pails/buckets/barrels, coolers, etc. Please consider shopping with re-usable canvas bags and re-purposing plastic items we currently don't recycle.

Paper - clean and free of non-paper items.

Electronics - both collection sites can now recycle electronics. Most items do require a fee. Please see the collection site attendant or our website for the electronics fee schedule.

RECYCLING AND SOLID WASTE
